THE FOLLOWING IS NEEDED WHEN RENTING YOUR INSTRUMENT

- Student's name and school
- Parent's names, home address, phone numbers and email address
- Parent's employers name, address and phone numbers
- Valid form of identification such as driver's license, state ID or government issued ID
- Valid major credit card (required, used for security)
- Acceptable payment methods: cash, check, credit cards
- Emergency contact (friend or relative at a different address than the renter)

WHY RENT FROM CHUCK LEVIN'S?

At Chuck's the customer is our priority. We strive to keep our rental prices low and the process easy. Our aim is to help create future musicians.

Your one time payment made at the time of rental covers the entire school year. Our prices are the same no matter where you live in Maryland, Washington DC or Virginia.

DO I NEED INSURANCE?

If you have a homeowners policy or a home rental policy and the instrument is lost due to forced entry, fire or other disaster covered by your policy, your instrument should be covered without need of purchasing additional insurance. Check with your insurance provider. Instruments left at school, left on the bus, etc will not be covered by any insurance policies we know of. If your child takes a school bus, get to know your drivers! They are going to be your best insurance.

WHAT ABOUT A SERVICE CONTRACT?

No need to purchase a service contract. If a mouthpiece gets stuck, a key needs adjustment, a pad comes loose, just bring it back to Chuck's and it will be repaired at no additional cost to you provided the repair is not due to physical damage. The majority of our instruments are returned in good condition or are repairable at a minimal charge. No service contracts out there cover damage due to negligence or willful acts. This includes younger siblings or dogs getting hold of the instruments, running over it with the car, seeing how it's put together with the screwdriver, etc!
