

Mike's Music is a proud partner of Howard County Schools & celebrating our 16th rental season!

Dear Howard County Music Parent,

We hope this letter finds you and your family well. As we welcome the start of the new school year, Mike's Music (www.MikesMusicMD.com) is here for you and our community. We are an official Partner in Education with Howard County Schools and can assist you with navigating this new opportunity your student has chosen. Since we opened in 2008, we have been an affiliate with Menchey Music. This has allowed us to offer an amazing rent-to-own program for orchestra & band instrument rentals. Your school's music director has attached or forwarded you their flyer with this, but feel free to contact us with ANY questions.

-Online rentals: Fastest option! We are offering online rentals for pick up at <http://www.mikesmusicmd.com/rentals>. Finish the entire rental process online and pickup your instrument and accessories at our store.

-Delivered directly to school rentals: Fast option! We are offering online rentals for delivery to your school. Order cutoff is 9/18/23. Note: The instrument will be delivered to the school by 9/22.

To order: <http://www.mikesmusicmd.com/rentals>.

-Rental Appointments and Walk-In Rentals: Shorten your waiting time by scheduling an appointment! Just call us at (410) 465-0700 or schedule right from our website www.mikesmusicmd.com/rentals. We are accepting walk-ins, but the process may be much slower.
